Friends of the County of Henrico Public Library

Membership Application

About FRIENDS

Friends of the Library are community members like you with an interest both in supporting the many services currently offered by the library and in providing additional programs and services.

As a 501(c)(3) non-profit organization, the Friends strive to enhance and promote the use and enjoyment of the library, as well as sponsor special programs and activities. The Friends also develop supplemental funding for the library and actively support its policies and procedures.

Membership is open to individuals, families, and organizations who want involvement in the library. The opportunities are as varied as the materials and services offered by the library itself. Your modest annual contribution helps provide financial support to the Friends.

Services/Community Support

The Friends of the Library sponsor programs and resources like:

- Reading programs for all ages
- Appearances by authors, experts, and musicians
- Collection improvements such as family resource centers
- Facility enhancements benefiting all visitors

The Friends encourage community awareness by serving as an advocate for the library and by focusing positive public attention on library services, facilities, and ongoing organizational needs.

The Friends raise funds by providing photocopiers in nearly all the county libraries. The money library users spend on photocopying, along with the sales of books, tote bags, headphones, and CDs for use with public computers, provides a significant portion of the budget that makes Friends' programs and other accomplishments possible.

Membership Benefits

As a Friend, you will be able to:

- Attend the annual "Evening with an Author" Reception
- Promote the library by supporting a variety of free programs
- Possess the knowledge that you are... "Building a partnership between the library and the community for quality service for all of the citizens of the County of Henrico, Virginia."
