

## Henrico County Public Library

# Business Resources

Henrico County Public Library provides many valuable resources for business owners, operators, and entrepreneurs. From market research databases and free WiFi, to meeting space and professional-grade technology, the library offers free tools to support your business.

## Online research

Access these databases with your library card from anywhere, at any time, for free. Find them at [henricolibrary.org/research](https://henricolibrary.org/research).

### Accel5 Business Library

Resources for professional development in business, featuring short videos on topics such as business competencies, leadership and management, and personal effectiveness.

### Business Insights: Essentials

Investigate companies, find overviews of industrial and business topics, and explore interactive charts, narrative data, and statistics.

### Consumer Reports

Trusted ratings and reviews, recommendations, and buying advice for thousands of products and services.

### Gale LegalForms

Thousands of legal forms available covering hundreds of legal subjects and issues, with more forms added daily.

### Morningstar

Find information on mutual funds, stocks, and exchange-traded funds, industry information and investment guidance.

### Reference Solutions (formerly ReferenceUSA)

Create marketing plans, conduct competitive analysis, raise funds, and locate customers with this selection of databases with information about millions of businesses and consumers.

### Rosetta Stone

Interactive language courses for 30 different languages, including English as a second language.

### Richmond Times-Dispatch

NewsBank offers full text of staff-written articles from RTD, from 1985 to present.

### Value Line Research Center

Includes online access to Value Line's leading publications covering stocks, mutual funds, options and convertible securities as well as special situation stocks.

## At the library

We have a variety of spaces to work, as well as technology resources and reading material to support your business.

All our libraries offer the following business tools.

- **Public computers** with Microsoft Word, Excel, and Powerpoint, plus web browsers and other software
- **Free WiFi**
- **Scanning and printing**
- **Seating areas** for quiet work
- **Large non-fiction collections** with books, ebooks, and audiobooks about starting and operating a business
- **Newspapers and magazines** with both current and back issues
- **Conference and meeting rooms** reservable online with your library card, and outfitted with state of the art technology including projectors, microphones, screens, cable TV, Blu-ray players, audio/video recorders, video cameras for videoconferencing, and PCs with wired or wireless connection. Details vary at each location—contact your library to ensure they have what you'll need.\*

## Digital Media Labs

Fairfield, Libbie Mill, Tuckahoe, Twin Hickory, and Varina libraries feature media labs with advanced audiovisual creative tools, including:

- **Adobe Creative Suite**—Photoshop, Acrobat, InDesign, Premiere, Illustrator, and more
- **3D design software and 3D printers**

Fairfield Library also offers their **One Touch Studio** for basic video and audio recording projects such as interviews.

## Legal resources

Tuckahoe Library is home to the **Joseph P. Rapisarda, Jr. Municipal Government & Law Collection**, with access to the **Lexis Advance Patron Access** database.
