

Henrico County Public Library presents

warming Up *a cozy little reading challenge*

January 5–February 16, 2026

Start your year with a commitment to reading.

We challenge you to take a little time out of every day for reading—as few as five minutes, or as many as you can manage. **Log at least 20 days of reading** during the challenge to earn a small prize.

Keep track of your progress on this log, or use your free account on Beanstack. Come visit us when you're done.

Now go grab a mug of a favorite warm beverage, slip into fuzzy socks, and crack open that book you've been looking forward to reading!

I did some reading on: (cross off the date)
